REGULAR CALENDAR

1) D. Schilling presented discussion of the Sewer System Management Plan (SSMP). Schilling explained that on May 2, 2006, the State Water Resources Control Board (SWRCB) issued an Order for Statewide General Waste Discharge Requirements (GWDRs) for sanitary sewer systems statewide. This Order is designed to facilitate consistent and comprehensive regulation of publicly owned sanitary sewer systems throughout the State in an attempt to quantify and reduce Sanitary Sewer Overflows (SSOs). In January 2008 the Council adopted the proposed plan concept and schedule for the development of the City's SSMP. A final draft of the City of Wheatland SSMP, Sewer System Management Plan (SSMP) and the previously adopted development plan are now available at the City Clerks office for City Council and public review. The document is approximately 200+ pages.

It was moved by Council member D. Coe, seconded by L. McIntosh to approve **Resolution No. 07-10 Adopting the City of Wheatland Sewer System Management Plan**. Vote called – AYES: All. Motion carried.
